Automatic TPP Filing Extension Granted

To help support our business community, the Martin County Property Appraiser has granted a 45-day extension to all filers submitting a tangible personal property (TPP) tax return. The deadline for filing TPP tax returns is normally **April 1**, but we understand that challenges due to the coronavirus may make this deadline difficult to meet. There is no need to apply for the extension – it is automatically granted to all filers.

Business owners will now have **until May 15** to file their TPP return.

To make the process more convenient, filers can submit their signed TPP return by email to **tpp@pa.martin.fl.us**

For questions, please contact Jenny Fields, Assistant Property Appraiser, phone 772-288-5618 or by email at jenny.fields@pa.martin.fl.us
